## VOX POPULI.

**210,000 Republicans Advance on New York--Secretary of State Carr Elected--Both Branches of the Legislature Republican.**

**"Cocked-Eyed Ben" Snowed Under by 10,000 Votes in Massachusetts.**

**Pennsylvania Marches with a Chorus of 17,000.**

**Connecticut Solidly Republican--An Immense Majority in the House and a Good Working Majority in the Senate.**

**Nebraska, Kansas and Minnesota Republican by Sweeping Majorities.**

**New Jersey and Maryland Just Saved to Suffering Democracy by Small Majorities.**

**The Presidential Question Settled by the Verdict of the People in Favor of Republicanism and Progress.**

**The Question is Who Will the Republicans Name for Our Next President.**

On last Tuesday elections were held in Virginia, New York, Pennsylvania, New Jersey, Mississippi, Nebraska, Minnesota, Maryland, Connecticut and Massachusetts. Last year Minnesota, Nebraska and Virginia went Republican, the remaining seven states went Democratic. Last year the Democrats had a majority of 6,210 in Maryland, of 13,949 in Massachusetts, of 19,604 in Mississippi, of 2,093 in New Jersey, of 4,161 in Connecticut, of 197,071 in New York, of 40,202 in Pennsylvania. This year the figures have changed to Republican majorities and gains that evidence the party still solid with the people. A majority of 15,000 in New York for the head of the Ticket and Massachusetts giving 10,000 over Butler with gains and majorities in other states is glory enough for one day. Republicans upon the whole have achieved a much greater victory than they even hoped for and Democrats are weakened and demoralized as of yore.

### Wedding Bells.

Thursday evening Mr. Fred G. Baker and Miss Clara M. Widrig were made one by Dr. Hartley, pastor of the Congregational Church, at the residence of the brides parents. Only the relatives and a limited number of old and intimate friends being present. John Reid was groomsmen and Miss Aggie Vorce bridesmaid. The bride was dressed in an elegant, dark blue silk, and looked every inch a bride. The couple are among the most popular of Cheboygan's young people and the universal verdict of the most intimate friends of Miss Clara is that Mr. Baker in the matrimonial lottery has secured a prize. The ceremony was interesting and impressive. The responses of the happy pair distinct and emphatic. The supper was abundant, elegant and delicious. The presents numerous, elegant, costly and useful; among them a deed for a village lot from Sanford Baker, grandfather of the groom. The occasion was one of the most delightful, the congratulations hearty and sincere and the happy couple embark on the sea of life accompanied by the warmest wishes of a host of friends for a long, happy and useful life.

### Grand Marine Items.

C. H. Brazel, of Grand Marais, says the channel lately dredged by Wellington R. Burt was 75 feet wide and 12 feet deep. The recent storm filled it so that its width is only 17 feet and its depth 7 feet. The St. Marie dragged heavily in her last trip out.

Geo. Richardson, of Bangor, Maine, had his left hand cut off in the mill of Brazel & Bro.

The mills are shut down, the drive of Henry Gamble through Succor river being unsuccessful.

### The Fan Brigade.

The Fan Brigade was repeated at the Opera House last Wednesday night with several notable additions. The night was bad and the audience was sliver. But the programme with its new features was enacted with renewed zest. The best of music was given on the piano by Miss Tracy McLeod and Miss Georgie Spencer. The selections were choice and their execution creditable in every way.

Miss Marion Paddock in the Beggar Maid threw her whole soul into it. She is a fine singer and withal has a grace that soon finds a place for approval.

Mr. James Brown in "Jean Jae and his Boy Jose" with all that strange patois of broken English from French choppings was as laughable as could be. He has so much poise, and his manners so easy he wins the audience without apparent effort. The Bay City Call's criticism of him is not overdrawn when it says "he is peerless in his readings."

The tableau of the couch shell was one of the new features and not the least delightful part of a night of refined pleasure.

Mrs. Ella Wiegand in her fairy dance with a brilliant costume was picturesque as it was charming.

Miss Aggie Vorce is another feature of our town talent.

We have in Cheboygan lovers of art to put in through the winter many entertainments, and they are infinitely better than anything in the professional line.

### Coming.

By special request of the citizens of Cheboygan, Prof. E. Hall's Grand Golden Show and Carnival of Novelties will appear in the Town Hall, Tuesday evening November 13th, and all who attend may with perfect confidence anticipate passing an evening of intellectual amusement. The following is what the Chicago Times says in regard to Prof. E. Hall's celebrated entertainments: "Prof. E. Hall, of San Jose, California, the celebrated Prestidigitateur, assisted by Miss Irene Delemonis, the justly styled empress of mediums has been giving a series of the most remarkable exhibition at McVicker's theater ever introduced in this city. Miss Irene Delemonis's wonderful feat of spiritualistic mindreading is simply marvelous and beyond comprehension, she actually reads private in any lady or gentleman's pockets in the audience, she seems gifted with the mysterious power of being able to read the thoughts of any one she chooses in her vortrillogical impersonation, she is in fact without comparison. Prof. E. Hall's entertainment is styled "3 hours in the real and spirit world."

Tickets for sale at Kenburg & Cooper's.

**A New Departure in the Lumber Business.**

Duncan machinists are at present busily engaged in manufacturing the Brazel snow plow and road maker. This is the first machine ever invented for making a perfectly level and smooth snow road, cheaply and rapidly. It has been severely tested on both rough and smooth roads and is pronounced by practical lumbermen to be a decided success. Thompson Smith says in his opinion the Brazel snow plow and road maker is as three extra teams in any saw log or lumber camp. C. H. Brazel is the general agent for Michigan. They say they cannot get a sufficient number made to supply the demand this winter. Twenty thousand dollars worth of machines are being made at the Duncan machine shops.

### Ladies' Working Society.

The ladies constituting the "Working Society" of the Congregational church held their annual meeting Wednesday afternoon at the residence of Mrs. Jacob Post, when the following officers were elected for the ensuing year:

President--Mrs. Dr. Hartley, Vice President--Mrs. Robt. Conner, Secretary--Mrs. G. D. V. Rollo, Treasurer--Mrs. Dr. C. Perrin, Executive Committee--Mrs. Sanford Baker, Mrs. H. H. Packard, Mrs. Wm. F. DePew, Mrs. Geo. Paquette, Mrs. C. S. Ramsay.

### Married.

At the residence of H. J. Miner, by Rev. R. M. Thompson, pastor of the Independent church, Mr. Albert Hermann Labmann, of Drummond's Island, to Miss Margaret Emma Isabella Butler, of De La Tour, on Nov. 3d, 1883.

Cheboygan business men are doing a big thing in the way of advertising. This way of doing not only helps them amazingly, but booms their town in thunder tones.--Harbor Springs Republican.

### Cheboygan Succeeds.

In every direction our city widens, deepens, extends, and pleasing surprises of local achievements are constantly assuring us of our present and future importance. Our exchanges are free and frequent in their praise of Cheboygan newspapers, business men and enterprises. The TRIBUNE ever supports and encourages the community in all its projects, and we are glad to see that a novel departure in the conduct of business by one of our most enterprising and worthy young merchants, Mr. D. H. Maloney is meeting with great success and evidences that brain energy and courage in business will win. He thought the plan out himself. It is very simple and unique. He buys largely and on the best terms. He carries an immense stock. He sells all standard groceries at just what they cost him in the store and adds for his profit only 6 per cent., that is, if you want \$1.00 worth he takes \$1.06, giving you the goods for what they cost him and only charging 6 cents for his trouble and risk of doing the business. If you only want to spend \$1.00 in all he deducts 6 cents giving you 94 cents worth of goods. The figuring is close, you can see daily quotations of Detroit prices and know what you are doing. He claims he sells goods much lower in this way than the old way and that he is doing splendidly. It simply shows there are many new ways to improve matters.

Democratic bulletin boards are badly bored.

Cheboygan is building, growing and rejoicing. Everything is hurry, excitement and success. Strangers are delighted with the business flavor of our city. New comers are satisfied. Those who leave come back, and everybody believes the city will grow on and on and on.

### The Boy.

He does twice as much work in a day as a man and then only gets quarter paid for it. There, did you ever see the best of that in all your life? I don't believe it.

If there is a generous hearted soul in this town I wish he'd help us a little one way or another.

To the boys:--Now boys I tell you what it is, I want you to come and see me as soon as you read this and we'll see what we can do in the way of starting a Boy's Rights Club. Yours Truly, G. H. K.

P. S. I mean for the oppressed boys like myself to come. G. H. K.
